September 2015

This notice applies to your 2011 Corvette VIN: 1G1YR3DXXXXXXXXXXXX

Dear XXXXXXXXXXXX

As the owner of a 2011 model year Chevrolet Corvette, your satisfaction with our product is very important to us.

This letter is intended to make you aware that the clutch system on your vehicle may fail if unapproved fluids are used to service the system or if a high-pressure pulse occurs during a clutch self-adjustment event. If the clutch system fails, the clutch pedal may not return if depressed. If the clutch pedal does not return, it may be possible to start the vehicle when the transmission is in any gear. This could result in unexpected vehicle movement when the engine is started.

Do not take your vehicle to your Chevrolet dealer as a result of this letter unless you believe that your vehicle has the condition as described above.

What We Have Done: General Motors is providing owners with additional protection for the condition described above. If this condition occurs on your 2011 Chevrolet Corvette within 10 years of the date your vehicle was originally placed in service or 120,000 miles (193,000 km) whichever occurs first, the condition will be repaired for you at **no charge**. Diagnosis or repair for conditions other than the condition described above is not covered under this special coverage program.

What You Should Do: If you believe that your vehicle has the condition described above, repairs and adjustments qualifying under this special coverage must be performed by a Chevrolet dealer. You may want to contact your Chevrolet dealer to find out how long they will need to have your vehicle so that you may schedule the appointment at a time that is convenient for you. This will also allow your dealer to order parts if they are not already in stock. Keep this letter with your other important glove box literature for future reference.

Reimbursement: If you have paid for repairs for the condition described in this letter, please complete the enclosed reimbursement form and present it to your dealer with all required documents. Working with your dealer will expedite your request, however, if this is not convenient, you may mail the completed reimbursement form and all required documents to Reimbursement Department, PO Box 33170, Detroit, MI 48232-5170. The completed form and required documents must be presented to your dealer or received by the Reimbursement Department by September 30, 2016, unless state law specifies a longer reimbursement period.

If you have any questions or concerns that your dealer is unable to resolve, please contact the Chevrolet Customer Assistance Center at 1.800.222.1020 (TTY 1.800.833.2438).

We are sorry for any inconvenience you may experience; however, we have taken this action in the interest of your continued satisfaction with our products.
