

**Motor City Mold C6 Supercharger Carbon Fiber Hood  
for  
Magnuson TVS 2300 supercharger**

**Direct replacement for all C6 stock hoods (except ZR1)**

**Classic MCM looks!**

- All carbon Fiber outer available with or without clear carbon center
- MCM signature rear facing vent providing optimum heat extraction
- Fit and finish to the same high standard that MCM hoods are known for
  - New vent edge design provides extra heat extraction
- 50% weight saving on stock hood with no compromise on strength
- Available by special order ONLY from Motor City Mold at 419-843-1719

**Low profile yet still fits with Magnuson 112, 122 and TVS 2300 series superchargers**

**New wind tunnel developed vent extraction lip - the faster the car the more heat extraction - without compromising the driver's view!**
