This notice applies to your vehicle, VIN: [REDACTED]

Dear Duane L Morris:

As the owner of a 2008 model year Chevrolet Corvette, your satisfaction with our product is very important to us.

This letter is intended to make you aware that some 2008 model year Chevrolet Corvette vehicles may have a condition where a fuel odor is detected, fuel droplets appear below the left-hand fuel tank with fuel gauge level above 1/2, or a malfunction indicator lamp illuminates due to a leak path in the left-hand fuel pump module flange.

What We Have Done: General Motors is providing owners with additional protection for the condition described above. If this condition occurs on your 2008 Chevrolet Corvette within 10 years of the date your vehicle was originally placed in service or 120,000 miles, whichever occurs first, the condition will be repaired for you at **no charge**. Diagnosis or repair for conditions other than the condition described above is not covered under this special coverage program.

What You Should Do: If you believe that your vehicle has the condition described above, repairs and adjustments qualifying under this special coverage must be performed by a Chevrolet dealer. Please contact your Chevrolet dealer to schedule an appointment for an inspection. Initially, parts to repair this condition may be in limited supply. If inspection deems your vehicle is in need of repair for the condition described above, this initial limited supply could delay the completion of the repair. Keep this letter with your other important glove box literature for future reference.

Do not take your vehicle to your Chevrolet dealer as a result of this letter unless you believe that your vehicle has the condition as described above.

Reimbursement: If you have paid for repairs for the condition described in this letter, please complete the enclosed reimbursement form and present it to your dealer with all required documents. Working with your dealer will expedite your request, however, if this is not convenient, you may mail the completed reimbursement form and all required documents to Reimbursement Department, PO Box 33170, Detroit, MI 48232-5170. The completed form and required documents must be presented to your dealer or received by the Reimbursement Department by July 31, 2017, unless state law specifies a longer reimbursement period.
