Michelin Zero Pressure (ZP) tires feature a reinforced sidewall that is designed to support the weight of your car after a loss of air pressure—even with no air in the tire. Michelin Zero Pressure technology allows you to continue driving up to 50 miles at 55 mph, so you don't have to change a tire on the side of a busy highway.

### Michelin is a proud sponsor of:

MICHELIN® Pilot® Sport A/S 3

MICHELIN® Pilot® Sport PS2™  
MICHELIN® Pilot® Sport PS2™ ZP

MICHELIN® Pilot® Super Sport  
MICHELIN® Pilot® Super Sport ZP

MICHELIN® Pilot® Sport Cup ZP

From the track to the street. Michelin is committed to providing Corvette drivers with the fitments they need to achieve their cars' full potential. On racing's proving grounds, we've teamed with Corvette Racing to amass 57 American Le Mans Series victories since 2004—more than any other tire manufacturer. On the street, MICHELIN® Ultra-High Performance tires provide exceptional sport handling—featuring exceptional grip for aggressive cornering and overall outstanding wet and dry performance. Insist on MICHELIN® tires for your Corvette. And discover how THE RIGHT TIRE CHANGES EVERYTHING.™
