IN RE: 2017 CORVETTE VIN 1G1YT2D6XH [REDACTED]

Dear Creighton,

I contacted the Corvette Assembly Plant, Bowling Green, KY to find out exactly how many 2017 Corvettes were produced with the same options as your VIN 1G1YT2D6XH [REDACTED]

According to the records of the Corvette Assembly Plant, you have the one and only built with the same options as your 2017 Corvette Z06.

Congratulations on your one-of-a-kind 2017 Corvette and may you have many miles of smiles driving it.

Sincerely,

A handwritten signature in blue ink that reads "Betty J. Hardison".
