I acknowledge the work performed by Sonic MS will further enhance the performance of my vehicle. A performance enhanced vehicle inherently involves a material risk of damage to the property of others as well as to the motor vehicle itself and a material risk of serious injury and even death. I hereby release Sonic MS from any actions, claims, loss, liability, damage or costs, occurring in connection with operating my high performance vehicle. I voluntarily assume personal responsibility as a result of my choice to have Sonic MS modify my vehicle. I have educated and researched the pros and cons of modifying their vehicle with high performance parts. Part orders require a 50% deposit of invoice - all custom parts require a full payment upon ordering. Returns must be authorized and are subject to a restocking fee. Furthermore, custom parts may not be returned.
