I hereby authorize the repair work herein set forth to be done along with the necessary material and agree that you are not responsible for loss or damage for any delays caused in performing the repair work. I hereby grant you and/or your employees permission to operate the vehicle herein described on streets, highways or elsewhere for the purpose of testing and/or inspection. I agree that you are not responsible for loss or damage to cars or articles left in cars in case of fire, theft or any other cause beyond your control, and that you are not responsible for damages from freezing due to lack of antifreeze.

Unless otherwise specified, I understand labor time billed for is based on times estimated for jobs in industry manuals and not actual time spent. I acknowledge that the total estimate of repairs includes all parts, labor, handling and diagnosis and agree that, if closer analysis finds that additional repairs are necessary, I will be contacted for authorization if the amount I must pay will be increased by more than 10%. I understand terms are cash, approved check or credit card unless other arrangements are made in advance. If payment of this invoice in full is not paid when due, and is placed with attorneys for collection, or if suit is instituted to enforce payment hereof, I agree to pay your actual costs of collection including your attorneys fees. I agree that storage will be added at the rate of \$20.00 per day after 48 hours from time of notification vehicle is ready.

I agree that if the repairs described above become an issue in litigation such that you or any of your employees are required or requested to participate by personal appearance, deposition, affidavit or otherwise, I will pay you \$100.00 for processing and delivering any affidavit and \$500.00 per person, per day for any personal appearances at depositions, court or otherwise.
