**Coupe 2LT RWD Standard Equipment****Highlights**

- **GT1 bucket seats**
  - Designed for comfort and support
- **Head-Up Display**
  - Projects vehicle information onto the windshield low in the driver's line of sight to help you keep your eyes on the road
  - Adjustable vertical position and brightness of the display
  - Includes color readouts which can display speed, gear, tach, shift lights, turn signals, bright headlamps, audio, turn-by-turn navigation, g-meter, speed limit, and lap times
  - 3 selectable modes: Tour, Sport, and Track
- **Wireless Device Charging**
  - Wirelessly charges one compatible mobile device<sup>1</sup>

<sup>1</sup> The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adaptor/back cover. To check for phone or other device compatibility, visit [my.chevrolet.com/learn](https://my.chevrolet.com/learn) or consult your carrier.

- **Bose<sup>®</sup> Performance Series 14-speaker audio system**
  - Stainless steel speaker grilles
- **Performance data and video recorder**

- Records video and real-time performance data to play back, share and analyze your driving experiences
  - Windshield-mounted 1080p HD camera module captures video and audio of drives
  - Can be set to auto-record every time the vehicle is running, or configured to only start when the vehicle is in Valet mode
  - Video, audio and performance data can be replayed on the color touch screen or saved on an SD memory card for playback on your computer or analysis with Cosworth toolbox
  - Track Mode records video, audio and synchronized performance data, including speed, rpm, g-force, track maps, lap times and start/finish line
  - Sport Mode has simplified data, such as speed and g-force, to your video
  - Touring Mode captures video and audio of scenic drives
  - Performance Mode records performance data: 0 to 60 mph, 1/4-mile speed and elapsed time, as well as 0-to-100-to-0 runs
  - Valet mode provides peace of mind by recording video and data when your vehicle is not in your control
- **Universal Home Remote**
    - 3-channel programmable
    - Conveniently activates compatible devices such as garage door openers, security systems, and home automation devices from inside your vehicle
- **Body-color heated, driver-side auto-dimming power-folding outside mirrors with integrated turn signal indicators**
    - Heated feature helps clear away ice and fog
    - The auto-dimming feature automatically adjusts the outside mirror when it senses bright light from behind
    - Integrated turn signal indicators help communicate your intention to change lanes
- **Rear Camera Mirror**
    - Uses a camera to provide you with the option of using a wide and less obstructed view behind your vehicle while driving instead of a traditional rearview mirror<sup>1</sup>
    - The feature also allows brightness, vertical tilt and zoom adjustments
- <sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.
- **Memory Driver and Passenger Convenience Package**
    - Stores and recalls settings for steering wheel and outside mirrors, plus seat position for both driver and passenger
    - Easy exit feature
    - Key fob or door button activated

- **Side Blind Zone Alert**

- Provides visual side-mirror alerts when a moving vehicle is detected in your side blind zone<sup>1</sup>
- Can help you avoid lane change collisions

<sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

- **Rear Cross Traffic Alert**

- Warns you of detected vehicles crossing behind you when in Reverse<sup>1</sup>

<sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

## Mechanical

- **6.2L V8 DI engine**

- Stingray
- 490 hp @ 6450 rpm and 465 lb-ft of torque @ 5150 rpm
- 495 hp and 470 lb-ft of torque with the available Performance exhaust or Z51 Performance Package
- 0-60<sup>1</sup> mph in 2.9 seconds with the available Z51 Performance Package
- E-Ray
- 495 hp @ 6450 rpm and 470 lb-ft of torque @ 5150 rpm
- 655 total combined hp with 160 hp from the e-AWD (electric drive unit)
- 0-60<sup>1</sup> mph in 2.5 seconds
- Includes a dry sump oil system
- Variable Valve Timing
- Active Fuel Management™

<sup>1</sup> Based on initial vehicle movement.

- **8-speed dual clutch transmission**

- Driving engagement of a manual with the speed and smoothness of an automatic
- Continuous transmission of torque and power to the wheel
- Ultra-fast and precise shifts that happen in as fast as a hundred milliseconds
- Double paddle declutch feature allows disengagement of clutch by holding both paddles

- **Limited-slip rear differential**

–When the differential senses a significant difference in wheel speed, it locks to turn both rear wheels in unison for added traction

- **Rear wheel drive**

- **Aluminum body structure**

–Aluminum structure with carbon fiber components

–More than 10% stiffer than the previous generation, which contributes to ride and overall confidence-inspired handling

–A strong, stiff and lightweight main structure of 6 high-pressure diecast aluminum parts, minimizing the number of joint within the vehicle

- **Corvette standard suspension**

–Short/long arm (SLA) double wishbone, forged aluminum upper and cast aluminum L-shape lower control arms

–46 mm monotube shock absorbers

–Direct-acting stabilizer bar in the rear

- **Power steering**

–Speed-sensitive, rack-and-pinion, Electric Power Steering (EPS) with variable ratio

- **Brembo<sup>®</sup> antilock brakes**

–Help reduce wheel lockup and maintain steering control during hard braking on most slippery surfaces

–Brembo 4-piston/2-piece front calipers and 4-piston/monobloc rear calipers

–Large 12.6" (321 mm) front rotors and 13.3" (339 mm) rear rotors

–Includes Corvette script on calipers

- **Black-painted brake calipers**

- **Aluminized stainless-steel exhaust with stainless-steel quad tips**

## Interior

- **Chevrolet Infotainment 3 Premium system with Google built-in compatibility**

–Includes navigation capability<sup>1</sup>

–8" diagonal HD color touchscreen with multi-touch display

–Bluetooth streaming audio for music and select phones

–Wireless Apple CarPlay™ capability for compatible phones<sup>2</sup>

–Wireless Android Auto™ capability for compatible phones<sup>3</sup>

- Advanced voice recognition, in-vehicle apps, and personalized profiles for infotainment and vehicle settings

<sup>1</sup> Google built-in services are subject to limitations and availability may vary by vehicle, infotainment system and location. Select service plan required. - **Wi-Fi® hotspot capable**

- Terms and limitations apply. See [onstar.com](http://onstar.com) or dealer for details.

- **Performance data and video recorder**

- Records video and real-time performance data to play back, share and analyze your driving experiences

- Windshield-mounted 1080p HD camera module captures video and audio of drives

- Can be set to auto-record every time the vehicle is running, or configured to only start when the vehicle is in Valet mode
- Video, audio and performance data can be replayed on the color touch screen or saved on an SD memory card for playback on your computer or analysis with Cosworth toolbox
- Track Mode records video, audio and synchronized performance data, including speed, rpm, g-force, track maps, lap times and start/finish line
- Sport Mode has simplified data, such as speed and g-force, to your video
- Touring Mode captures video and audio of scenic drives
- Performance Mode records performance data: 0 to 60 mph, 1/4-mile speed and elapsed time, as well as 0-to-100-to-0 runs
- Valet mode provides peace of mind by recording video and data when your vehicle is not in your control
  
- **Antenna, integral front and rear**
  
- **GT1 bucket seats**
  - Designed for comfort and support
  
- **Black seat belt color**
  - Standard seat belt color for all interiors except Natural Dipped which includes Natural seat belts, Tension Blue/Twilight Blue Dipped which includes Tension Blue seat belts, Adrenaline Red Dipped which includes Torch Red seat belts, and Artemis which includes Green seat belts
  
- **8-way power driver seat**
  
- **8-way power passenger seat**
  
- **Power driver seat lumbar control**
  
- **Power passenger seat lumbar control**
  
- **Power driver seatback bolster**
  
- **Power passenger seatback bolster**
  
- **Heated and ventilated driver and passenger seats**
  - Keep cool in summer and warm in winter with these heated and ventilated seat cushions and seatbacks
  
- **Mulan leather seating surfaces with perforated inserts**
  
- **Floor console with covered storage**
  - Storage opens with the push of a button and locks when the vehicle is locked

–Inside are 2 cup holders and 2 USB ports<sup>1</sup> (type A and type C)

<sup>1</sup> Not compatible with all devices.

- **Carpeted floor mats**

–Helps protect your interior from road debris and the elements

- **Power tilt and telescoping steering column**

–Allows the driver to adjust the steering wheel up or down, and the steering column forward or back

–Provides extra comfort when entering or exiting the vehicle

- **Leather-wrapped steering wheel**

–Racing-style flat top and bottom, 2-spoke design

–Allows for less obstructed view of the road and instrument cluster

- **Heated steering wheel**

–With the press of a button the steering wheel quickly heats up to provide additional comfort on a cold day

- **Steering-wheel mounted controls**

–Allow the driver to easily operate the audio system, phone interface, cruise control and Driver Information Center controls

- **12" diagonal color Driver Information Center**

–Includes driver personalization, warning messages and vehicle information

–Reconfigurable display with 3 themes

–Driver-selectable gauge display

- **Compass, digital**

- **Head-Up Display**

–Projects vehicle information onto the windshield low in the driver's line of sight to help you keep your eyes on the road

–Adjustable vertical position and brightness of the display

–Includes color readouts which can display speed, gear, tach, shift lights, turn signals, bright headlamps, audio, turn-by-turn navigation, g-meter, speed limit, and lap times

–3 selectable modes: Tour, Sport, and Track

- **Vehicle health management**

–Provides advanced warning of vehicle issues

- **Oil-life monitoring system**

- Indicates when to change the oil based on engine operating conditions
- Monitors your personal driving habits and climate conditions to determine precisely when your vehicle's next oil change is needed
- Alerts the driver with a message in the Driver Information Center
  
- **Power door locks**
  - Programmable
  - Allows you to lock and unlock doors easily whether it's from the driver or passenger seat or from outside using the key fob
  
- **Keyless Open and Start**
  - With the key fob in your possession, locks and unlocks your car's doors without having to use the key fob, increasing convenience
  - With the vehicle in Park, press the brake pedal and then press the engine start/stop button to start the engine; the green indicator on the button will illuminate
  - Press the engine start/stop button to turn off the engine
  - Hidden releases for doors, hood and hatch/trunk
  
- **Power windows**
  - Driver and passenger express-up/down
  - Also includes power rear window on Convertible model
  
- **Remote Start**
  - Start your vehicle remotely and step into a comfortably warmed or cooled vehicle
  
- **Cruise control**
  - Steering-wheel mounted controls to easily maintain and manage cruising speed
  
- **Memory Driver and Passenger Convenience Package**
  - Stores and recalls settings for steering wheel and outside mirrors, plus seat position for both driver and passenger
  - Easy exit feature
  - Key fob or door button activated
  
- **Universal Home Remote**
  - 3-channel programmable
  - Conveniently activates compatible devices such as garage door openers, security systems, and home automation devices from inside your vehicle
  
- **Theft-deterrent system**
  - Sounds the horn and flashes the turn signals when someone attempts to open the vehicle without the proper key or remote transmitter

–Helps deter unauthorized entry, helping to protect your vehicle and its contents

- **Theft-deterrent system**

–Sounds the horn and flashes the turn signals when someone attempts to open the vehicle without the proper key or remote transmitter

–Helps deter unauthorized entry, helping to protect your vehicle and its contents

- **Inclination sensor**

–Detects vertical motion of your vehicle and triggers an alarm response if your vehicle or wheels are lifted with a tow truck or a vehicle jack

- **Interior movement sensor**

–As part of the security system, monitors the vehicle interior

–Activates the alarm when it senses unauthorized entry or movement

- **Hatch release**

–Push-button open

- **Wireless Device Charging**

–Wirelessly charges one compatible mobile device<sup>1</sup>

<sup>1</sup> The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adaptor/back cover. To check for phone or other device compatibility, visit [my.chevrolet.com/learn](https://my.chevrolet.com/learn) or consult your carrier.

- **Dual-zone automatic climate control**

–Automatically maintains the selected temperatures for both the driver and passenger

- **Air filtration system**

–Helps prevent dust and pollen from entering the passenger cabin

- **Rear window defogger**

–Helps to keep your rear view clear of fog or frost

–Utilizes a warming grid to help remove fog or frost from the rear window

- **Rear Camera Mirror**

–Uses a camera to provide you with the option of using a wide and less obstructed view behind your vehicle while driving instead of a traditional rearview mirror<sup>1</sup>

–The feature also allows brightness, vertical tilt and zoom adjustments

<sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Driver and passenger visors with illuminated mirrors**
  - Covered vanity mirrors
- **Interior lighting**
  - Theater dimming and delayed entry/exit lighting as you enter or leave the vehicle
- **Cargo nets**
  - A set of 2 nets to secure items in the cargo areas of your vehicle
  - Helps keeps items from shifting while in transit
  - Made from durable materials
- **Chevrolet Connected Access capable**
  - Subject to terms. See [onstar.com](https://onstar.com) or dealer for details.

## Exterior

- **19" front/20" rear 5-open-spoke Bright Silver-painted aluminum wheels**
  - Front 19" x 8.5" wheels
  - Rear 20" x 11" wheels
- **Michelin<sup>®</sup> Pilot<sup>®</sup> Sport All Season 4 245/35ZR19 front and 305/30ZR20 rear, performance, run-flat tires**
- **Body-color roof panel**
  - Lightweight and removable
  - Stores securely in the rear trunk
- **Carbon Flash Exterior Badge Package**
- **Carbon Flash exterior accents**
  - Front and rear grille accents
  - Side vents
  - Also includes tonneau vent on Convertible model
- **LED headlamps**
- **IntelliBeam**
  - At speeds above 25 mph, can automatically turn vehicle's high beams on and off according to surrounding traffic conditions

- **Body-color heated, driver-side auto-dimming power-folding outside mirrors with integrated turn signal indicators**
  - Heated feature helps clear away ice and fog
  - The auto-dimming feature automatically adjusts the outside mirror when it senses bright light from behind
  - Integrated turn signal indicators help communicate your intention to change lanes
- **Solar-Ray® light-tinted glass**
- **Front intermittent wipers**

## Safety

- **Automatic Emergency Braking**
  - At speeds above 5 mph and up to highway speeds, can help you avoid or reduce the severity of a collision with a detected vehicle you're following using camera technology<sup>1</sup>
  - Can automatically provide hard emergency braking or enhance your hard braking
- **Front Pedestrian and Bicyclist Braking**
  - At speeds between 5 and 50 mph, can help you avoid or reduce the severity of a collision with a pedestrian or bicyclist it detects directly in front of you<sup>1</sup>
  - Provides alerts and can automatically provide hard emergency braking or enhance driver's hard braking
  - Limited nighttime and low visibility performance

<sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

<sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Active handling stability control with traction control**
  - Automatically helps enhance control, particularly during emergency maneuvers, by adjusting the brakes and engine torque to keep you on your intended path
  - Activates when vehicle sensors detect a difference between the driver's intended path and the direction the vehicle is actually travelling
  - Includes Traction Control that detects wheel slippage and applies brake pressure and/or reduces engine power to help the driver maintain control when accelerating on wet or snow-covered roads
- **Traction control, all-speed**

- **Daytime running lamps**

- **HD Front and Rear Vision Cameras**

- When in forward gear at low speeds, two HD Front camera shows you a high-resolution digital image of the area directly in front of your vehicle. This may help you park and avoid nearby objects, such as curbs, poles or parked vehicles. You can select additional views of your camera display including a top-down view of the front of the vehicle and its surroundings<sup>1</sup>
- When in Reverse at low speeds, HD Rear Vision Camera shows you a high-resolution digital image of the area directly behind your vehicle. This may help you park and avoid nearby objects
- Console button-activated for front view or activated when shifted to Reverse
- Selectable dynamic guidelines laid over the display image assist in parking maneuvers by showing the vehicle's path

<sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

- **Rear Park Assist**

- When in Reverse, provides alerts of nearby detected vehicles and objects behind your vehicle<sup>1</sup>
- Alerts can help you park and avoid collisions

<sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

- **Side Blind Zone Alert**

- Provides visual side-mirror alerts when a moving vehicle is detected in your side blind zone<sup>1</sup>
- Can help you avoid lane change collisions

<sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

- **Rear Cross Traffic Alert**

- Warns you of detected vehicles crossing behind you when in Reverse<sup>1</sup>

<sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Lane Keep Assist with Lane Departure Warning**

- Uses a brief steering wheel turn to alert you when it detects you are unintentionally drifting out of your lane lines<sup>1</sup>

- System alerts do not occur if you're using your turn signal, or it detects you may be intentionally leaving your lane
- You may receive additional Lane Departure Warning alerts if needed

<sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Following Distance Indicator**

- Displays the following time in seconds between your vehicle and a detected vehicle in front of you<sup>1</sup>
- Designed to help you maintain a safe following distance

<sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Forward Collision Alert**

- Warns you if it detects a potential collision with a detected vehicle you're following so you can take action<sup>1</sup>
- Can also provide a tailgating alert if you're following a vehicle much too closely

<sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Airbag system**

- Frontal airbags for driver and passenger<sup>1</sup>
- Seat-mounted side-impact head/thorax airbags for driver and passenger<sup>1</sup>
- Includes Passenger Sensing System which automatically switches the passenger seat frontal airbag on or off and illuminates a status light that indicates whether the airbag is on or off<sup>1</sup>

<sup>1</sup> Always use seat belts and child restraints. Never place an infant or child restraint seat in the front seat, even if the airbag is off. See the Owner's Manual for more information.

- **Teen Driver**

- Helps encourage better driving habits for teens by providing an in-vehicle report card<sup>1</sup>
- Activates certain safety systems, if equipped, when a Teen Driver-designated key fob is used
- Mutes the radio until the front-seat occupants fasten their seat belts

<sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **OnStar® & Chevrolet Connected Services capable**

–Terms and limitations apply. See [onstar.com](https://onstar.com) or dealer for details.

- **3 Years of Remote Access**

–The Remote Access Plan<sup>1</sup> lets you start or stop your vehicle, lock & unlock doors, even check their fuel level and tire pressure (depending on vehicle equipment) – all from your smartphone<sup>2</sup>

<sup>1</sup> Remote Access Plan does not include emergency or security services. See [onstar.com](https://onstar.com) for details and limitations.

<sup>2</sup> Available on select Apple and Android devices. Service availability, features and functionality vary by vehicle, device, and the plan you are enrolled in. Terms apply. Device data connection required.

## Warranty

- **Scheduled Maintenance Visit<sup>1</sup>**

First Visit: 12 Months/12,000 Miles

<sup>1</sup>Maintenance visit must occur within first year of vehicle delivery. Service visit consists of Mobil1® Oil and Filter Change/MPVI. Does not include air filters. See participating dealer for other restrictions and complete details.

- **Bumper-to-Bumper Limited Warranty<sup>1</sup>**

3 Years/36,000 Miles

<sup>1</sup>Whichever comes first. See dealer for details.

- **Corrosion Limited Warranty<sup>1</sup>**

3 Years/36,000 Miles

Rust-Through

6 Years/100,000 Miles

<sup>1</sup>Whichever comes first. See dealer for details.

- **Powertrain/Drivetrain Limited Warranty<sup>1</sup>**

5 Years/60,000 Miles

Certain commercial, government, and qualified fleet vehicles: 5 years/100,000 miles

<sup>1</sup>Whichever comes first. See dealer for details.

- **Roadside Assistance Program and Available Courtesy Transportation<sup>1</sup>**

5 Years/60,000 Miles

Certain commercial, government, and qualified fleet vehicles: 5 years/100,000 miles

<sup>1</sup>Whichever comes first. See dealer for details. Roadside service provided by Allstate Roadside services. Limitations apply.
