

Dear Corvette Enthusiasts,

Please join us for the 4th annual *St. Jude Corvette Drive*! We will leave on April 30, 2015, for another exciting journey! Every year, approximately 30 Corvette drivers and St. Jude supporters depart Uffring Chevrolet in Washington, IL, for the 465-mile trek to Memphis, where they enjoy a group dinner, tour the hospital and visit with patients and doctors, and then return to Peoria. Each driver commits to raising \$1,000, plus an additional \$500 for a passenger. It is modeled after the St. Jude Rides event, which is a motorcycle ride from Peoria to Memphis and has raised over \$3 million in 8 years for the kids of St. Jude!

The St. Jude Corvette Drive has raised over \$200,000 in just three years! As we celebrate 53 years of St. Jude finding cures and saving children, we want to make the St. Jude Drive bigger and better.

Since opening more than 50 years ago, St. Jude Children's Research Hospital has changed the way the world treats childhood cancer and other life-threatening diseases. Families will never receive a bill from St. Jude for treatment, travel, housing, or food—because all a family should worry about is helping their child live.

Below are meeting dates and locations:
