Year	Color	Class
AA		Gen 1 1967-1969
BB		Gen 2 1970-1981
CC		Gen 3 1982-1992
DD		Gen 4 1993-2002
EE		Gen 5 2010-2015
FF		Gen 6 2016- Present

Class size will be determined by number of cars registered.

Our judges strive to be fair and give constructive advice.

ENJOY !!!

Detailed cleanliness is usually the determining factor in the top three or four cars in each class. It sometimes comes down to a couple of grains of sand in the gas filler compartment; check those door hinges, the inside of the chrome wheels, etc. Judges will not inspect the underside of your vehicle. You will get a higher score from the judges if you remove all personal items from the car, trunk etc. prior to judging. Floor mats are to be removed from the vehicle prior to judging. The owner, or a designated individual, must be present during judging and this person will be asked to open the hood, doors and trunk (if so equipped) as the judges cannot touch the vehicle. Convertible tops must be up, and boot covers opened if requested by the judges. While judging the vehicle for cleanliness, the weather conditions will be taken into consideration i.e if it is sprinkling during the judging, you will not be penalized for water spots on the exterior nor would you receive any deductions for marks on the glass.

Each participant may pick up his judging sheets after awards are given out for his/her particular class. This is encouraged so you can see what things you can improve upon for the next show.

Registrants will be asked to open their hood for classification

I accept and assume full liability for any injury or loss to me or my property, agents or employees at any time and from any cause on the premises of the show. I expressly release the management from any liability for such loss or injury, and agree to pay for my own insurance. GMC Corvette Set – Canterbury Village – and other show sponsors assume no responsibility for injury or loss to me or my property at the "Canterbury Corvette Fest."
