**Stance SF03 wheels, tires and tpms sensors.**

Sold!!

Bought my 2014 Stingray with this setup on them. The rears poked out to far for my liking because the offsets are made for a z06 and grandsport. Tires are Accelera performance tires. tread life. One wheel has a small amount of curb rash. All of this can be yours if you act now for the low price of \$1100 plus shipping.  
Fronts are 20x10 +35 with 245/35/zr20  
Rears are 20x12 +46 with 285/30/zr20
